## Destination Imagination Regional Competition

Blanco - Blanco 's Quizzlers and DI-nomite gear up for Destination Imagination Regional Competition March 7 in Farmington.

Two teams will be representing Blanco Elementary School at this year's Regional Destination Imagination Competition Saturday, March 7 at Animas Elementary School.

The sixth grade team, named the "Quizzlers" consists of Elizabeth Florez, Monica Perez, Jacob Berryhill, Khale Lucero, and Jatou Rottman. Their main challenge is called "Feary Tales" and is an eight-minute play using fairy tale elements about a phobia. Elizabeth Florez wrote the play and the songs that go with it.

The fifth grade team, named "DI-nomite" consists of Camille Deifenbaugh, Maggie Salazar, Javen Chavez, and John Tavenner. This team shared their writing skills in writing their play about a phobia for the main challenge, "Feary Tales".

The sixth grade team will be competing at the middle school level and the fifth grade team will be competing at the elementary level.

To qualify for the state competition in April, teams must place 1st, 2nd, or 3rd. Coach Sally Travis wishes these two teams well and hopes they place like they have in the past.

BHS - Congratulations to our Wrestlers who placed at the State Competition. We are very Proud of you.
